DALTON BRIDGE REPAIRS WILL REQUIRE SIX WEEK CLOSURE

French Road Bridge Over Johns River

The New Hampshire Department of Transportation announces bridge deck repairs are scheduled to begin Tuesday, May 7, 2002 in Dalton on the French Road Bridge over Johns River.

This bridge deck replacement work will require the bridge to be closed to traffic for approximately six weeks. It is scheduled to reopen to traffic by Saturday, June 15.

Warning signs and concrete barriers will alert motorists to the bridge closure.
